

Nolensville High School

Checkpoint Driver Safety Training

This course is required for all student drivers that wish to park on campus next school year. The student must have a driver's license to park on campus. If you have completed a Checkpoints Course in the past, you are set, you are not required to take it again.

We are pleased to provide both in-person and zoom sessions. If completing the safety class in person, both the parent and the student must be present in the library. If completing the safety class via zoom, the student and a parent must be part of the same Zoom call at the same location. The training course usually takes about one hour.

Please only sign-up once for the session you wish to attend (only complete the form one time for the same student). If you are not able to attend the session you signed-up for please contact elvia.klym@wcs.edu to cancel; another student might be able to use the spot. Please only use the student's WCS myplace email.

Next Steps:

- The student should sign-up for the session via the Google Form for the date they wish to attend.
- Enter the student's WCS myplace email address on the form.
- The day of training, the student is to check their WCS email for the Zoom invitation and documents. A parent and the student will take a 5-minute pre-test and print two documents before the Zoom session.
- The student must use their WCS myplace email to join the Zoom session.
- Log in to the Zoom call 5 minutes before the start time.
- Students may attend training sessions at other WCS schools to receive credit, see the specific school's website.
- Additional classes will be added throughout the school year.

Checkpoint Course Dates:

- Sept. 8 zoom at 7 PM [sign up form](#)
- Sept. 27 zoom at 6 PM [sign up form](#)
