

7510 Pinewood Road

Primm Springs, TN 38476

Dear Kindergarten Families,

The School Age Child Care (SACC) program provides extended care programming in the Williamson County School district. Space is limited in our program and available on a first come first serve basis.

SACC offers childcare before school from 6:30 a.m. until school begins. After school SACC provides childcare from the release of school until 6:00 p.m. SACC also provides childcare on most days when school is out of session. On inclement weather days, determination will be made at the Central Office level if SACC can safely operate. Summer Day Camp is also available to families of school age children within Williamson County after a student completes kindergarten.

Kindergarten students can begin attending the SACC program on the first FULL day of kindergarten on Monday, August 12, 2024. Fall registration will open on June 12, 2024. We will reserve 10% of our capacity for kindergarten students.

Families can register by going to www.ezchildtrack.com/sacc/parent and completing a registration form.

We look forward to having you in the SACC program next school year.

Sincerely,

Leslie Weaver

Leslie Weaver, SACC Program Manager
