Kindergarten Registration 2024-2025

Welcome to the Longview Family

As kindergarten teachers, we are dedicated to ensuring your child's first school experience is one that will be cherished and remembered for years to come. Please remember that birthdays after August 15th, 2019 cannot enroll until the 2025-2026 school year.

Upon registration, you will sign up for a 20-minute block of time for kindergarten testing on either August 2nd or 5th. Please arrive 5 minutes prior to your scheduled time.

The assessment will cover foundational skills including letter recognition, letter sound production, basic phonemic awareness, number recognition 0-20, rote counting, shape recognition and sight word vocabulary.

Information from this assessment will give us an understanding of the skills your child has prior to the start of the school year. You will receive an email reminder of the time you signed up prior to testing.

*[Please sign up for a testing slot here.](#)

Staggered Start Schedule

Kindergarteners will begin their school year on a staggered start schedule. Please see the August calendar for information on which days your child will come to school during the first week of the school year. You are welcome to walk your child to class during these staggered start days. **Your child must be a car rider or walker at dismissal during the staggered days - all kindergarten students will dismiss from the back of the building on these days at 1:30PM.**

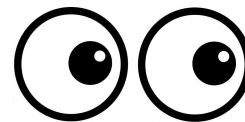

Please send a peanut-free snack and water bottle to school with your child each day. It is suggested that you allow your child to buy lunch from the cafeteria on the staggered days. These are the only days kindergarten teachers will be in the cafeteria during lunch and gives us the opportunity to instruct them on the process of ordering and purchasing from the cafe.

Be sure to check the Longview website often for information regarding the 2024-2025 Back to School Bash

Have you signed up for the Kindergarten Sneak Peek?

Join us for Kindergarten Sneak Peek on May 10th at 9am! Bring your upcoming Kindergartener for a behind the scenes look at what their day will look like. Take a ride on the school bus, tour a kindergarten class, see the playground and related arts classrooms, and more!
