"Falcons First Flight"
Monday July 22, 2024

Dear Rising Sixth Grade Parents/Guardians,

We are very excited to have your child joining us for the 2024-2025 school year! In order to make the transition to middle school as easy as possible, we would like to invite your child to attend our "Falcons First Flight" orientation program. Activities will be led by some of our sixth-grade teachers and will include a tour, games, an overview of FMS policies and procedures, the student's schedule for the upcoming school year and their locker with locker-opening practice! They will also learn about sports, clubs, and "who's who" at Fairview Middle School.

→ **Students should only attend one of the two sessions. If possible please sign your student though the google form with the QR code below or the link will sent to the parents of coming 6th graders**
        Morning session 8:00 a.m. – 11:00 a.m.
        Afternoon session 12:00 p.m. – 3:00 p.m.

→ **Please make sure your child is dropped off <u>no earlier than</u> 10 minutes before and <u>picked up promptly</u> at the end of the am/pm session. Both in the front of the building.**

We look forward to working with you and your child and hope arrangements can be made for him/her to attend. If you have any questions, please contact Mrs. Rebecca Brown (Rebeccab@wcs.edu)

Sincerely,
Fairview Middle School
Sixth Grade Teachers

Falcons First Flight
